Starting at 6 pm and going until 9 pm on Tuesday October 30 the **FREE** Woods Combo Band and Sunshine Performance Club Singers Party/Show will be held in Clubhouse 7.

We invite the audience to BYOE (bring your own food/drink and dancing shoes). There will be round tables where the audience can enjoy the food and drinks they bring and space at the front of the room for dancing to the music of the band and singers where the audience can simply have fun with an evening of enjoyable music. Be careful -- there might even be a bit of witchery in the singing.
