

Sponsorships for the Sunshine Holiday Show are still available.

The doors to the Sunshine Musical Event will open at 6:15 in Clubhouse 5 where the Woods Combo will entertain while the audience is waiting for the 7 pm curtain. As the Combo plays, a pre-show video with information about the charities, the sponsors and the entertainers will be shown.

In honor of the show, sponsors make their donations directly to their choice of one or more of the three charities, Alzheimer's Orange County, Foundation of Laguna Woods Village or Saddleback Kiwanis Foundation. The sponsors are publicized on flyers, posters, the event webpage, on the preshow video, the event program and honored by the emcee on stage. The sponsors can also distribute literature at their tables at the back of the theater area.

The mission of the Sunshine Performance Club is to 1) provide a platform for talented entertainers 2) provide quality entertainment for community members and 3) provide benefit to charities. Sponsor donations directly to one or more of the three selected charities helps to fulfill this mission.
