

Pine Cones And Holly Berries

Everyone sings this page

**It's beginning to look a lot like Christmas
Everywhere you go;
There's a tree in the Grand Hotel,
One in the park as well
The sturdy kind that doesn't mind the snow.
It's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring
Is the carol that you sing
Right within your heart.**

Jingle, Jingle, Jingle all the way

**Pine cones and Holly Berries
Popcorn for you, apples for me
Red striped candy, nut cracker handy
Kettle a-bubbling holiday tea.
Snow clouds hang low and threatening
Maybe it won't, praying it may
The brightest fireplace glows in every face
Waiting for Christmas day.**
